1957

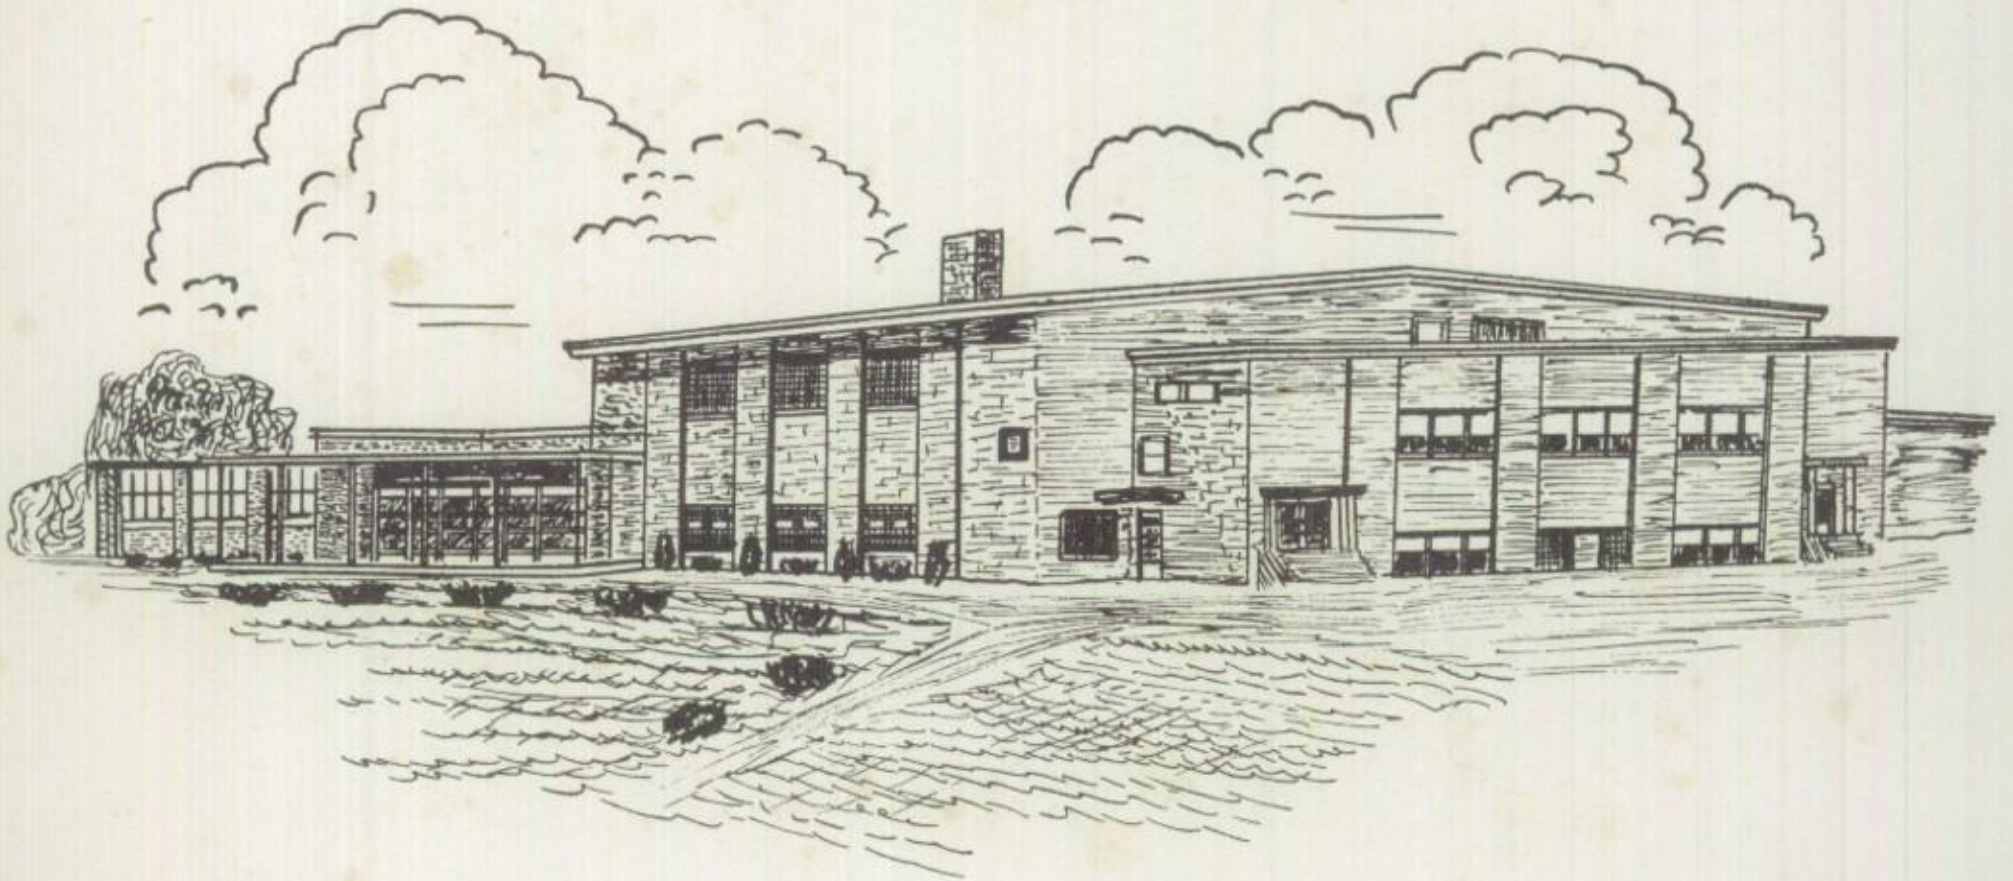

“TOMAHAWK”

CARLYLE HIGH SCHOOL

Carlyle, Illinois

FOREWORD

In days to come, as we leaf through this 1957 annual, may we remember our high school years as the happiest times of our lives. May we recall various experiences brought to life by an old friend's face.

We of the Tomahawk Staff sincerely hope that this annual will help you to relive your high school days. May it keep alive the memories gathered during the under-graduate years. The future years will bring new faces - but there will be for us this record of the friends we knew, the things we did, and the memories that are still dear to us.

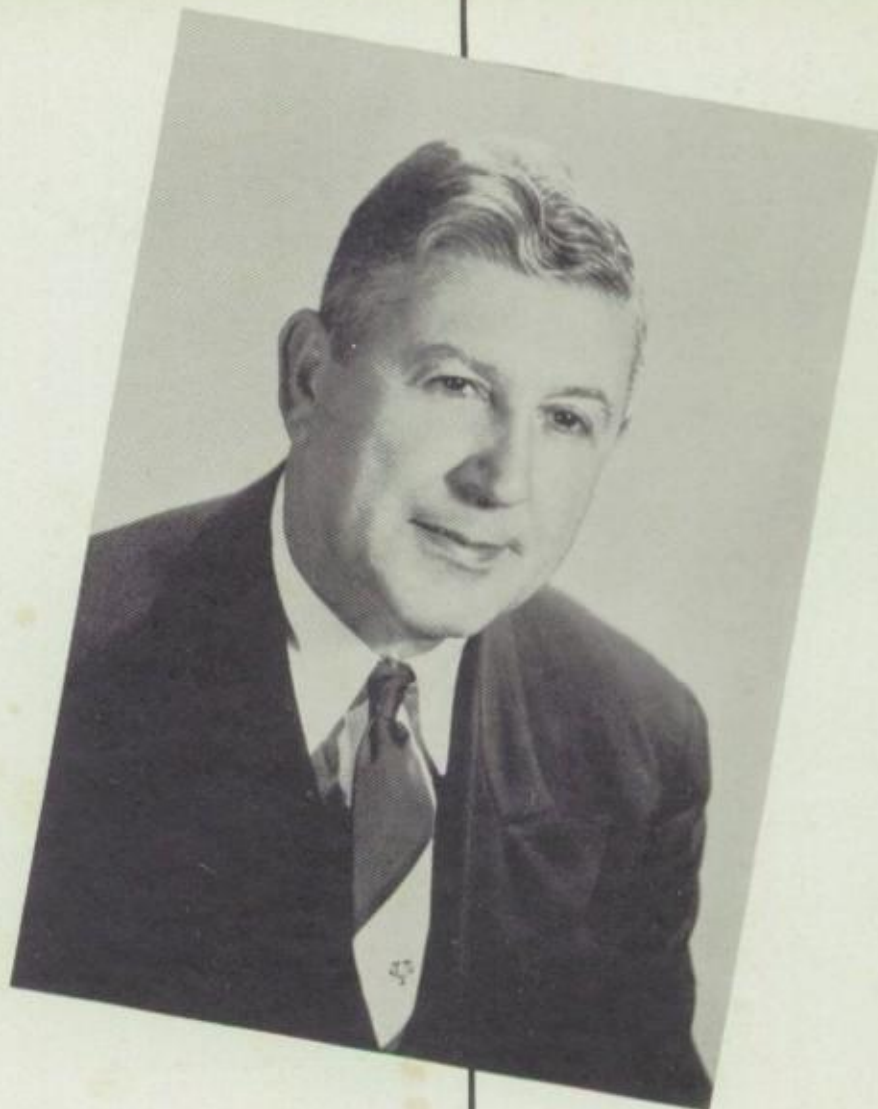

Now we, the Tomahawk Staff, wish to present to you our "Song of the Year."

The Editors

SUPERINTENDENT'S MESSAGE

We are now enjoying the opportunity of attending our splendid new school. Each day we can see the results of the years of planning that have gone into the building of this fine plant. Students, teachers and parents are deeply grateful to the community for providing these fine educational facilities. Students may show their appreciation by making the best of their opportunities. May this graduating class and all those in years to come have an attitude of respect and appreciation.

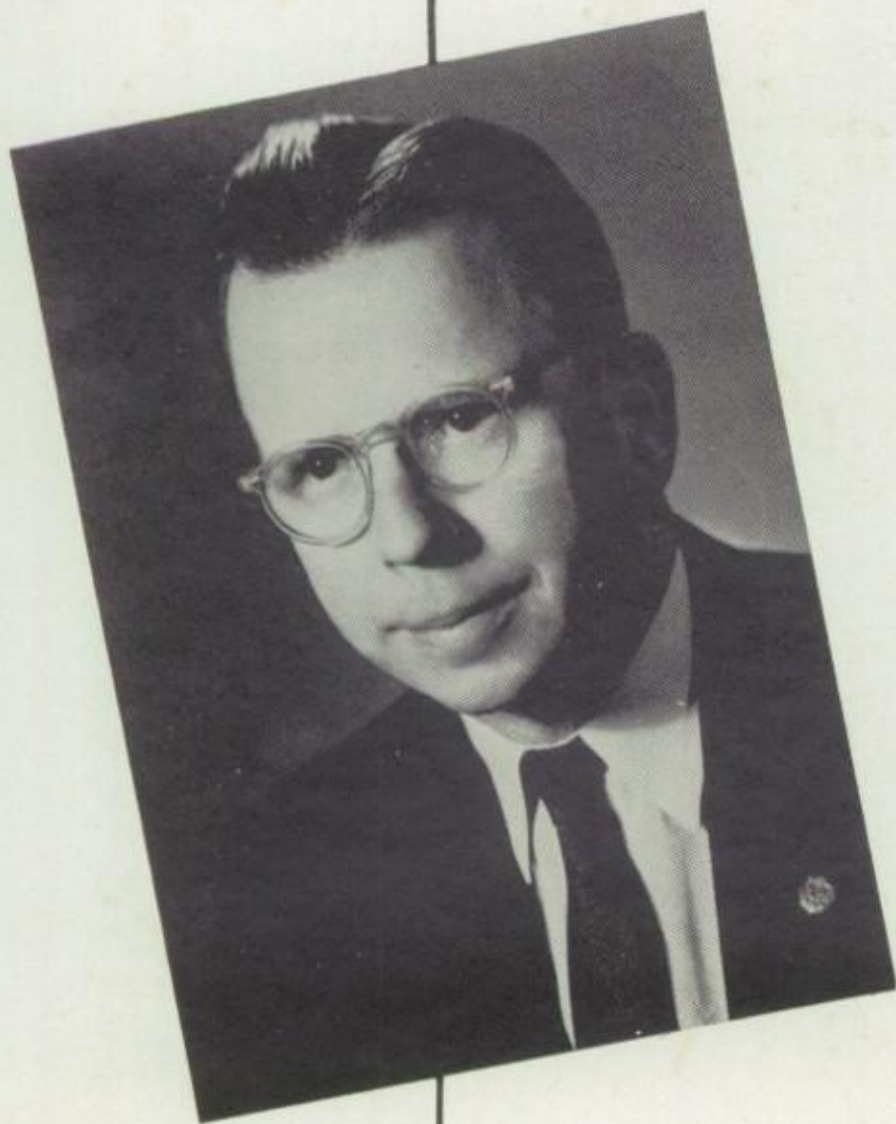

Colman K. Winn

PRINCIPAL'S MESSAGE

The Annual Staff has very quietly, and with few interruptions, gathered the material for this book. All organizations have cooperated in producing a yearbook for our school. Our remaining school days, in fact, the rest of our lives will be made more pleasant if we follow this pattern. We need to quietly and efficiently plan and organize our activities. We need especially to be considerate of other people and cooperate with them in solving the problems of our time. We can each become a strong link in a chain that unites and makes strong the free people of the world.

Cecil R. Kelso

SCHOOL BOARD

Left to right: President, Maben Wortman; Robert Stein, Secretary, Richard Fee; Genevieve Kaiser, Al Christ, Raymond Schnitzmeyer, Vice President, Bud Donnewald; Superintendent, C. K. Winn.

Here are the people behind the scenes. Seven conscientious, public-spirited citizens who give their time to the direction of school affairs.

We are indeed grateful to them for their interest in each of us during our high school years.

Here we are seniors; four years have hurried by. We have enjoyed our past four years in high school very much especially the last two in our new school.

We have been very busy ordering our name cards and our pictures.

Our record, we think, is quite good. We are proud of the boys who took part in athletics, girls who cheer, and all those who have been class representatives.

In our departing words we would like to thank all who have been our sponsors and advised us well.

We have happily spent the busiest year of our high school life. The '56 Hoo Doo was a huge success. The theme was "Autumn Leaves."

Our class is well represented by five of the basketball team, 12 band members, and one cheerleader. Our Student Council members are: Judy Rainey, Marjorie Huffman, and Vernon Fruend.

We still have our Junior play and the Junior-Senior Prom to add to this wonderful year.

We wish to thank Miss Dieckmann, and Mr. Gill, our class sponsors, for all they did to help us make this exciting year a real success!

Now we are Sophomores. We had a wonderful Freshman year, being the first under-classmen in the new school, but I think we are all glad to have it safely behind us.

We welcomed three new people into the Sophomore class this year. They are Kay Gammon, Garrell Stanley, and Charles Huffman.

All of us were very pleased at the Hoo-Doo when our candidate, Mary Reagan, was crowned queen and Stanley Huffman was the first escort.

Our class has been very active this year. We are represented by 16 band members, five basketball players, and three student council members. Mr. Allen is doing a marvelous job of being our class sponsor this year.

NATIONAL ARTYPING ASSOCIATION

The Carlyle Chapter of the National Artyping Association is proud to boast of a second first prize winner in the national contest within a period of three years.

Billy Orrell was the first prize winner in the 1956 contest. Every state in the United States and some territories were represented in the contest. As first prize winner, Billy was awarded an Underwood portable typewriter. Gene Warden was awarded a medal in the contest and several of the students received honorable mention.

Billy's winning picture was a four color sketch of the Hanging Gardens of Babylon.

S C H O O L D A Y S

The long awaited day arrived! On September 3, green freshmen, silly sophomores, jolly juniors, and sophisticated seniors all marched back to school.

The Student Council members were elected on September 4. Lou Schweickhart was elected president. This organization is supposed to be the governing body of the students. Each upper class elects three members and the freshmen only get to elect two. Can't let the freshies show too much authority.

The baseball season started with three straight losses for the Kaskaskians, but we picked up as time went on. We defeated Odin, Ashley, and Nashville, but were defeated by Nashville in the fourth place playoffs.

With the approaching presidential election, the History and Government classes sponsored a mock election. In an assembly program, each party was represented by a speaker: Republican Party - Gay Beavers and Bevo Orrel; Democratic party - Keith Stanley and Jerry Huffman; and the Socialists, Warren Parson and Sharon Patterson. In the election, the Republicans won. As Carlyle High goes, so goes the nation!

With the Grade School Gym gaily decorated, the junior class presented the annual fall carnival, the Hoo Doo. The evening's festivities were climaxed by the crowning of the queen and king, Mary Reagan and Pat West.

The band students certainly got their fair share of exercise in late October. Our marching band was represented at the S.I.U. Homecoming Parade and at the Centralia Halloween parade.

November 9 - the date that will be remembered by all the freshmen - initiation. One of the high points of the afternoon was the style-show with Bill Klieboeker and Bonnie

Camp taking top honors for their unusual modeling skill.

A Pep Club was started November 13. This new club was organized by Mrs. Rardin and Mr. Taylor to heighten the good school spirit of the student body.

The Kaskaskians did real well this season. They emerged with a season record of 13 wins and 7 losses. The team won a first place trophy in the Carlyle Holiday Tourney and second in the Tri-County Tournament. The boys also took part in the Centralia Regional Tournament. Let's not forget the cheerleaders. They gave our boys fine support to do the good work they did.

The Juniors got their class rings November 26. You can tell that they have had them quite a while now cause some of them have given them away.

Several band students went to Greenville December 12, to participate in a Band Festival. Mr. Schmidt and Mr. Lampe accompanied the group. The Carlyle group even serenaded the citizens of Greenville. Right, kids!

In the true spirit of show business, the Senior play "Ghost Wanted" was presented. Despite colds, sore throats, and the flu, "the show went on."

The long awaited day arrived when the Seniors received their pictures. Some of the Seniors weren't satisfied but the truth always hurts.

The highlight of the basketball season was the first place trophy we won at the Christmas Holiday Tournament. Odin and Mascoutah fell victim to our terrific fivesome.

Two exciting events the last week in January - Tri-County Tournament and Semester Exams. The student body enjoyed the former the most. We placed second in the tourney.

S C H O O L D A Y S

The first G. A. A. Dance, February 16, started the ball rolling. There was a big turn-out, and the rooms were beautifully decorated, befitting the occasion. The music was enjoyable to all. The dance was held in the cafeteria, with refreshments being served in the hall.

Later in the month, the F. H. A. held a banquet for the basketball boys and the cheerleaders. The cafeteria was decorated with colored pennants of all the different schools we've played this season. Coaches Hooper and Taylor gave complimentary speeches about the boys. Following the banquet, a dance was held for the entire student body.

This was our first year in the regional tournament at Centralia. We met Breese the first night. It was an exciting week for all and we were certainly proud of our boys and our cheerleaders as well. Our pep club certainly made everyone aware that the gym was honored with a visit from Kaskaskian fans. There were lots of sore throats at school the days after Carlyle played.

The District Music Contest, which was held at Carlyle on March 9, was a big event. There were almost 1,000 contestants here that day. The band students were very busy helping the judges, working in the office and concession stand. Congratulations go to all of our students who placed in the contest.

During the North Clay pep meeting, Mr. Kelso awarded the D. A. R. award to Lucille Schweickhart and the Betty Crocker award to Sharon Prasuhn. Lucille was chosen by her classmates and teachers for that high honor and Sharon won hers by placing highest in a test given to all the Home Economics students. Both girls are eligible to compete in the state contests. Congratulations to you, girls!

Everyone had a good time at the sock hop, which was sponsored by the Student Council. The hop gave everyone a chance to let their hair down, as it wasn't formal as were the previous dances. (Formal???)

Carlyle was the host to the band and chorus contest this year. Every one of the music students worked hard to make it a success.

The juniors gave an all-girl play this spring. The play was entitled, "Family Tree." Come on, boys, you're slipping.

One of the best assembly programs during the year was a talk by Mr. Skadden on guidance. It gave the seniors quite a bit to think about concerning the years ahead.

With the coming of spring, track season started. The Carlyle boys did an outstanding job, and a number of records were set.

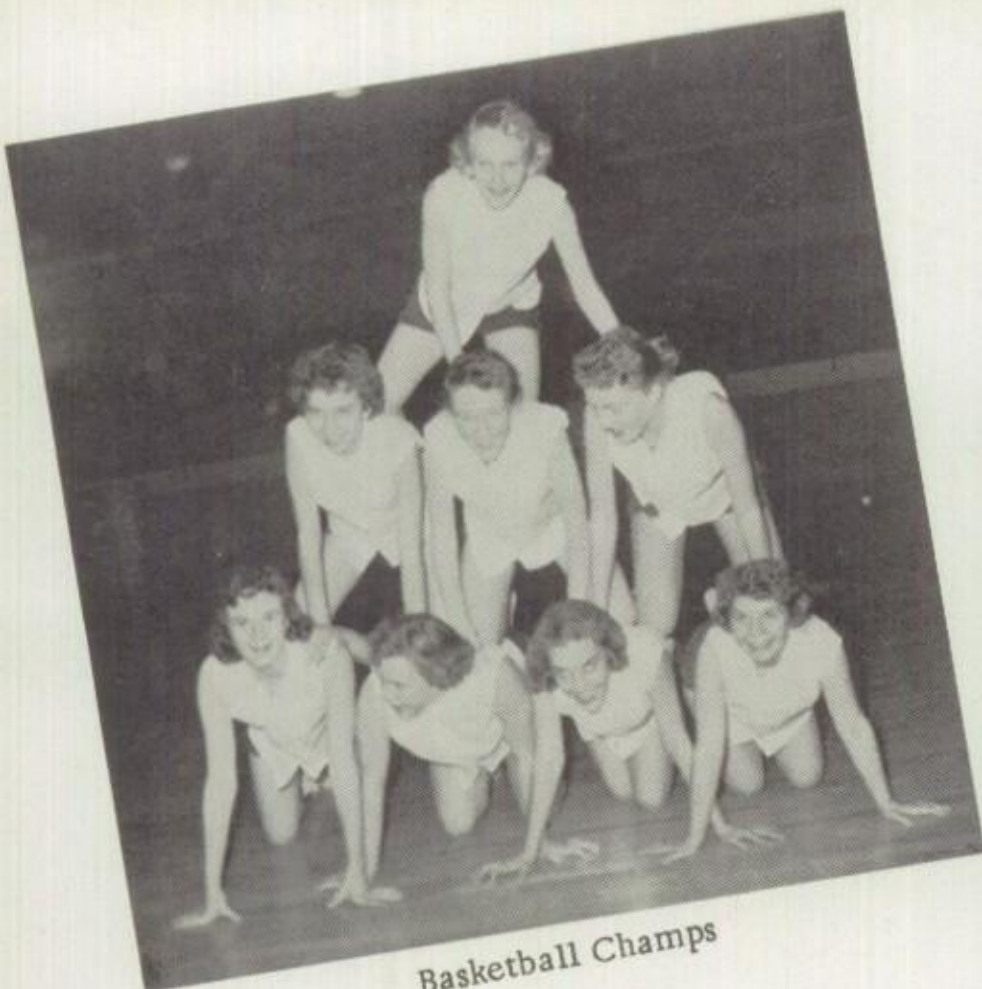

Spring also brought one of the most exciting events of the year, the Junior-Senior Prom. The banquet was held in the cafeteria, and the meal was enjoyed by all. After the banquet, the dance was held in the music rooms. The music was provided by a small combo. All the practicing the students had done on their dancing over the noon-hour certainly paid off on this night.

The end of May finally arrived and school ended for another year. Exams were over and graduation time was upon us. The end of the year is both a joyous and sad occasion. Joyous in that we have successfully completed four years of high school; sad in that we are leaving behind us our care-free days. We will look forward to next year, though - with new friends to make, and new experiences to live through.

GIRLS' ATHLETIC ASSOCIATION

One of the most energetic and active organizations (in addition to being the noisiest) was the girl's athletic association. The Monday night speedball and basketball competition instilled in the girls the spirit of fair play and an attitude of good sportsmanship. Each class was represented in these tournaments and the senior team emerged triumphant in the speedball tourney. The sophomores were champs in the basketball tournament.

One of the most successful activities sponsored by the association was the Valentine Dance, which was held February 15 in the cafeteria. The dance lasted from 8:00 until 11:00. Music was provided by records, and everyone joined in the festivities. Games were provided in the music room for the non-dancers.

In addition to the afore-mentioned sports events, the girls participated in a volleyball tournament with the boys, during the noon hour. Badminton and Ping-pong tournaments were also held during the year.

Bowling teams were organized, and every Tuesday and Thursday nights the teams competed at the Carlyle Bowling Alley. Mr. and Mrs. Clifton and Mr. and Mrs. Wilkinson were in charge of this activity.

The G.A.A. mothers were Mrs. Beavers, Mrs. Nave, and Mrs. Wilkinson.

STUDENT COUNCIL

The Student Council is the governing body of Carlyle High School. The purpose of such an arrangement is to encourage a democratic form of government.

Three students are elected from each of the three upper-classes. The freshman class is represented by two council members.

The council has a number of traditional projects and activities. The annual Christmas party and gift exchange, the freshman initiation, and school dances are some of the many activities sponsored by the council.

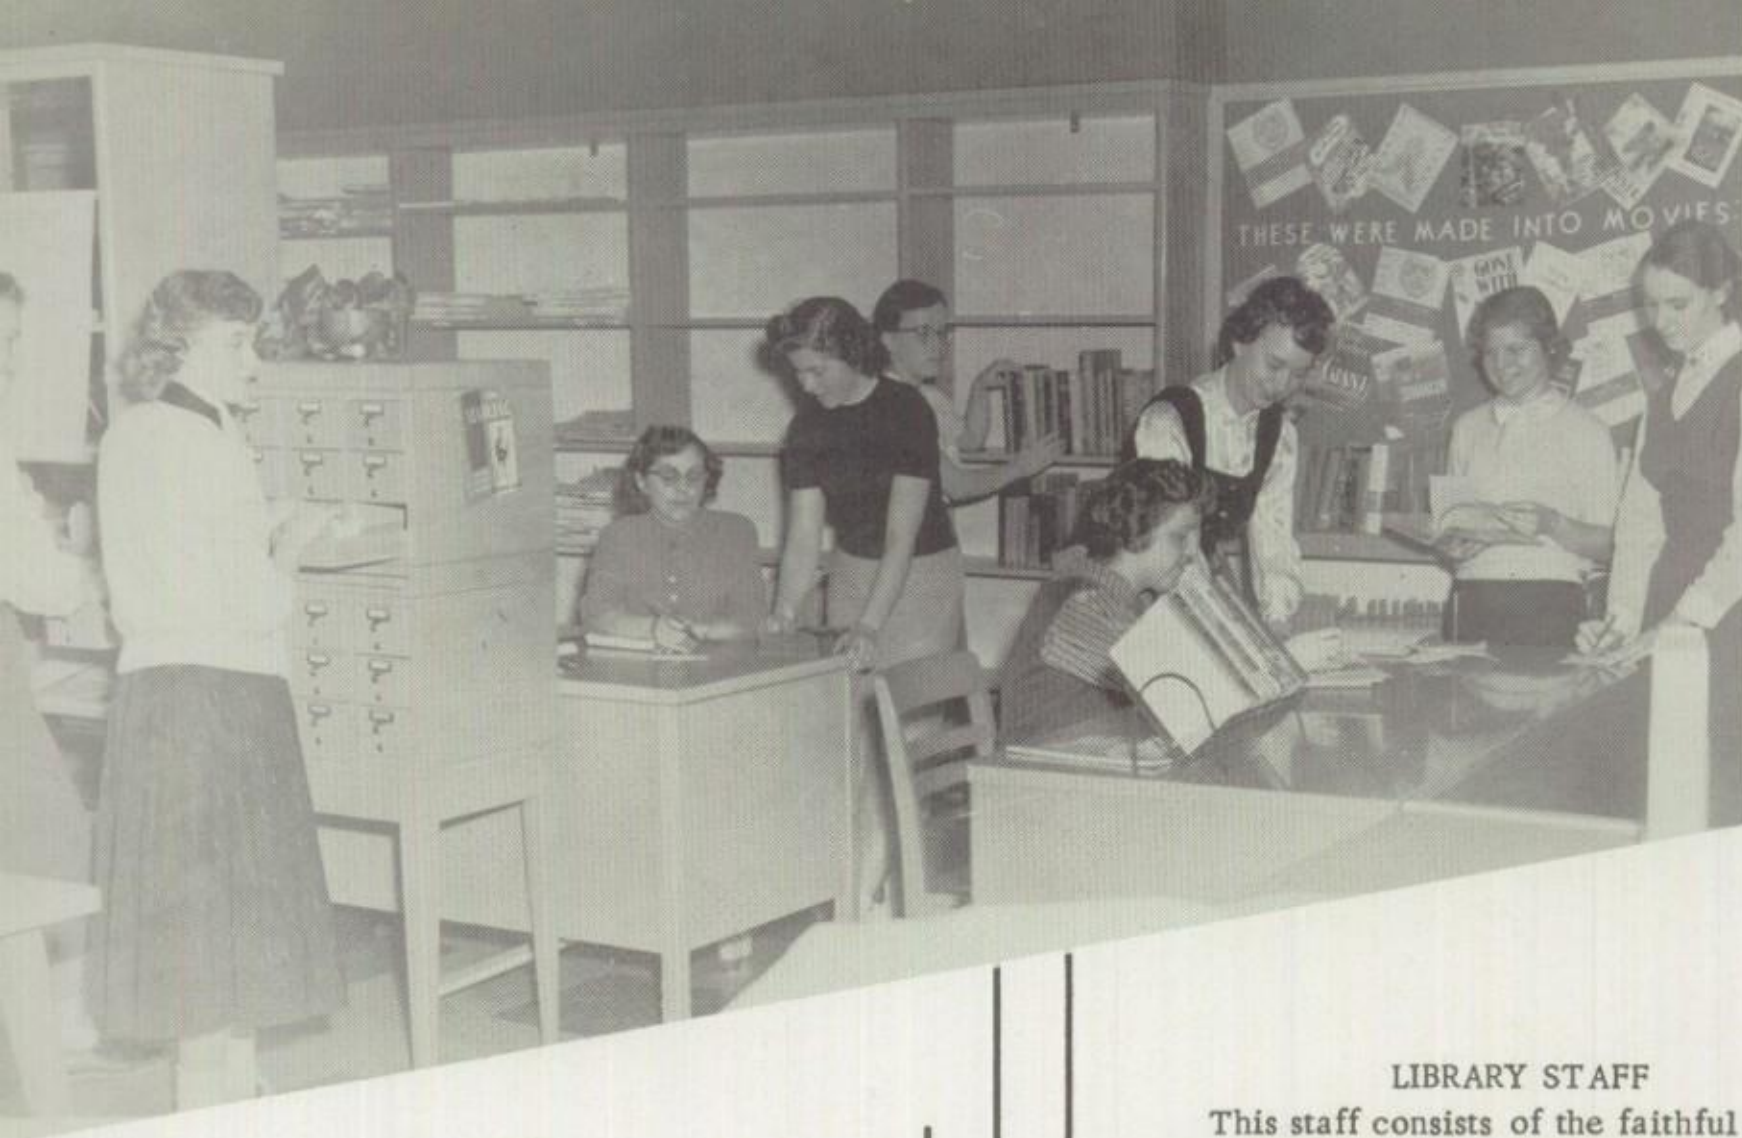

The faculty advisors are Mr. Taylor and Mr. Kelso.

~ JUNIOR PLAY ~ "AUNT EMMA"

In a staid-old fashioned residence in the small town of Hillcrest, live the Venderson family: Mr. and Mrs. Venderson and their two children, Craig and Penny. Typically teen-age are Craig and Penny and their high school chums, Al, Lamby, Sally and Judy.

The normal existence of the family is upset by the arrival of Aunt Emma, Mr. Venderson's wealthy old-maid sister. To further complicate matters, Mr. Venderson accepts a position in Chicago. Craig has finally made the third string football team; Penny has captured the heart of the most popular boy in town; and Mrs. Craig has finally been made president of her club. They are greatly upset by this news.

When Aunt Emma suddenly dies of a heart attack, Mr. Sloan reveals Aunt Emma's love for Craig and Penny. In her will she stipulates that all her money is to go to the Vendersons; if they remain in Hillcrest for one year. And once again, the family saying comes true, "Aunt Emma's fixed it so she has the last word - even after she's dead and buried."

— SENIOR PLAY — "GHOST WANTED"

In a lonely house on a lonely island beswirled by fog lives Granny Kate. The house has underground passages and Granny has a fetish for zombies. On top of this, Granny has two guests, the Professor and Madame Zolga, who spend their time working voo-doo on elusive ghosts.

Of more normal ectoplasm are Ginger and Gale, who decide it's high time to prove to Granny that ghosts and such aren't in the nature of things. They run a Ghost Wanted ad, hoping to get a respondent who'll haunt the ghosts out of Granny's mind. Both Hugo and Jeff apply, with Jeff dressed up in what he thinks the best dressed ghost should wear. But ho! What's this? Hugo is ready to grab his hat at the first scream when the ghost of Simon Gore really walks!

The boats have all disappeared, so there is no way of getting off the island. It is therefore decided to set a ghost to catch a ghost. Amidst hair-raising incidents that chill the spine, "Ghost Wanted" gave the spectators a good plot, and plenty of good humor.

CAST: Barbara Trickey, Gene Alexander, Lou Schweickhart, Sherry Prasuhn, Milferd Meyer, Carolyn Gill, Violet Higgins, Ramona Malone, Tom Burdin, Earl Reinkensmeyer, Gay Beavers, and Earl Schneider. Student director, Shirley Isaak and Director, Mrs. Mary Rardin.

"Queen's Court"

— HOO DOO —

The Hoo Doo, Junior class fall carnival, was held in the Carlyle Grade School Gym October 30, 1956.

The highlight of the evening was the coronation of the king and queen. The crowning of the queen took place at 10:00 o'clock on the beautifully decorated stage. The stage was decorated to represent an outdoor autumn scene, and the queen and her maids were escorted to the stage to the strains of "Autumn Leaves."

The retiring queen, Doris Brinkmann, was escorted to the stage by the retiring king, Freddie Koehler. The maids and their escorts followed the queen in the following order: Gwen Quick and Don Wurm; Marie Shields and Ken Huffmann; Ramona Malone and Stanley Huffmann. The last to enter were the new Queen and King, Mary Reagan, and Pat West.

After the coronation ceremonies the Queen and King and their court were entertained by skits presented by each individual class.

JUNIOR-SENIOR PROM

The annual Junior-Senior banquet was held in the new Carlyle High School Cafeteria on May 19, 1956. The theme for the evening's festivities was "The Stork Club," and the cafeteria was gaily decorated in true "Stork Club" fashion.

Dinner Music during the banquet was provided by "The Moods."

Sophomore boys and girls acted as waiters and waitresses. The girls, Marlene Barackman, Elsie Winn, Gloria Nave, Judy Rainey, Linda Carver, and Mary Margaret Warnecke, wore black skirts, white blouses with black ties, and white aprons.

The boys were dressed in black trousers and white shirts with black ties. Those who acted as waiters were, Donald Will, Ray Buchele, Vernon Fruend, Gregory Meyer, Kenneth Schlott and Warren Parson.

Tom Burdin acted as Master of Ceremonies for the affair. The gavel was presented to Claudia Pollman, the junior class vice president, by Allan Pryor, senior class vice president. The guest speaker was Dr. Dan Tanner, of Southern Illinois University.

The dance was held in the band room, following the banquet. The soft lights, beautifully decorated room and lovely music made the evening enjoyable for everyone.
